CITATION LATITUDE

The Cessna® Citation Latitude® aircraft is the first in its class to push the comfort envelope with a flat floor and 6-foot stand-up cabin. No other business jet offers this much space at a midsize price while delivering a compelling operating cost advantage.

- The spacious interior is equipped with high-speed internet to keep you comfortable and connected.
- With a four-passenger range of 2,700 nautical miles, you can fly nonstop from Los Angeles to New York or Geneva to Dubai.
- The touch-screen Garmin™ G5000™ avionics revolutionize the way pilots access flight data and take command of the aircraft's state-of-the-art navigation, traffic, surveillance and communications systems.
- Rest assured, you are supported by the farthest-reaching and most accessible service network.
