Range-enhancing winglets combined with powerful engines allow the Cessna® Citation® Sovereign®+ aircrafts to land at smaller airports such as Aspen, Hilton Head and Ocean Reef, reducing travel time and landing you closer to your destination. The sizable cabin makes every business trip a pleasure.

**REDRAW YOUR RANGE MAP**

- **Takeoff Distance**: 3,530 ft
- **Maximum Range**: 3,200 nm
- **Maximum Passengers**: 12
- **Maximum Cruise Speed**: 460 ktas
- **Useful Payload**: 12,790 lb
- **Takeoff Distance**: 3,530 ft
UNMATCHED INGENUITY

TOUCH-SCREEN AVIONICS
Garmin®-capable Garmin ™ G5000™ avionics streamline the pilot experience with advanced multifunction displays and touch-screen simplicity.

SPACIOUS CABIN
The spacious, versatile cabin features electrically-operated windows and a double-club seating configuration.

HEATED BAGGAGE COMPARTMENT
The heated baggage compartments can hold up to 1,000 pounds and 400 cubic feet of cargo.

POWERFUL ELECTRICAL SYSTEM
Triple-redundant power generation is the foundation for the robust electrical system.

CLASS-LEADING TAKEOFF FIELD LENGTH
Sovereign+ gets you off the runway fast with an unmatched 3,530-foot takeoff field length.

FUEL-EFFICIENT ENGINES
Pratt & Whitney engines deliver low-cost maintenance, high reliability and fuel efficiency for low operating costs.

Cabin Height 68 in 1.73 m
Cabin Width 66 in 1.68 m
Cabin Length 25 ft 3 in 7.7 m
Baggage Capacity
- Max Weight 1,465 lb 660 kg
- Volume 150 cu ft 4.22 cu m

WEIGHTS

Max Takeoff 30,775 lb 13,959 kg
Basic Operating Weight 16,235 lb 7,361 kg
Useful Load 12,540 lb 5,698 kg

MAX PASSENGERS

12

POWERPLANT

Manufacturer Pratt & Whitney Canada
Model (2) PW306D
Thrust 5,907 lb 26.28 kN

PERFORMANCE

Takeoff Field Length (MTOW) 3,530 ft 1,076 m
Time to Climb FL 450 in 27 min
Max Cruise Speed 460 ktas 852 km/h
Max Range (Ferry, LRC) 3,200 nm 5,926 km
Max Range (Ferry, LRC) 2,600 nm 4,829 km

Performance data is based on standard conditions with zero wind. Field performance assumes a level, hard surface, dry runway. Range is based on a ferry mission at LRC with NBAA IFR reserves.

CITATION SOVEREIGN+ SPECIFICATIONS
The double-club seating features large, comfortable leather seats with forward and aft tracking, swivel bases and reclining positions for maximum comfort. Productivity doesn’t stop with standard internet and four executive tables which provide generous work space for each passenger.

CONNECTIVITY AND CONTROL

Stay connected and be productive with the state-of-the-art cabin management system and internet. Wireless cabin management comes standard and allows access to digital media, individual interactive moving maps and satellite radio, giving passengers complete control from their personal mobile devices.
STEP IN AND MAKE IT YOUR OWN

ROOM FOR EVERYTHING YOU BRING ABOARD

The forward galley provides ample supply cabinets, cold storage and a well-lit counter for food preparation.
The redesigned flight deck offers the ultimate command center for pilots. Powered by Garmin G5000 avionics, the cockpit is bright, modern and all-glass, offering unsurpassed situational awareness. Features include Garmin Synthetic Vision Technology (SVT™), detailed moving map imagery, electronic charts, traffic surveillance (TCAS II Change 7.1), terrain awareness (Class-A TAWS) and intuitive touch-screen controls. An integrated, work-saving autothrottle frees the hands of busy pilots.

The GTC 570, an all-new glass touch-screen controller, is the primary point of contact for the Garmin G3000 system. This icon-driven interface enables you to access more systems and sensors than ever before. Functions are easy to locate, allowing you more time heads up, looking forward.

Piloting a Touch Garmin G5000: The Heart of a Revolutionary System

- Fully integrated autothrottles
- Garmin SVT
- Touch-screen control panels
- Flight management systems (FMS)
- Transponders with ADS-B Out capability
- Flight data recorder (ICAO Type IA)
TAKE COMMAND OF YOUR TRAINING

Get ready to train with the best. ProFlight™ instruction by TRU Simulation + Training offers an immersive experience for Citation Sovereign+ pilots. Step inside state-of-the-art simulators and take advantage of online resources to keep your skills sharp all year long.

PROFLIGHT OFFERS MORE
• The most true-to-life simulators in the industry with record, playback, demo and live ATC capabilities that make learning easy and enjoyable.
• Fifty percent more training time in Level-D, full-flight simulators and FTDs.
• One-on-one guidance from active, high-time pilot instructors with recent operational experience.
• FAA-approved online courses.
• Freedom to attend ground school from home and spend fewer days training on-site.

CONVENIENT, YEAR-ROUND CURRENCY
Study on your own time, at your own pace. With TRU’s Current 365™ program, you can maintain currency throughout the year, get courseware delivered right to your email, and train when and where you want.

Be the best pilot you can be. Get started at TRUSimulation.com.

SERVICE ANYTIME, ANYWHERE

With you as our focus, we are fully committed to servicing your Citation Sovereign+. You can count on Textron Aviation to be by your side with superior parts availability, competitive pricing and a robust distribution system. The support you receive is always factory-direct and there for you 24 hours a day.

HIGHLIGHTS FROM OUR SERVICE NETWORK
• Textron Aviation has the farthest-reaching network of company-owned service centers.
• Multiple rapid-response aircraft and more than 60 mobile service units ensure support whenever you need it.
• Our parts inventory is 19 million strong, covering your aircraft from nose to tail.
• We ship 99.6 percent of parts the same day you order them.
We advance the market by leveraging the latest technology in our Beechcraft®, Cessna and Hawker® aircraft. These cornerstone brands account for more than half of all general aviation aircraft flying today. In 90 years, we have delivered a total of more than 250,000 products, exceeding 100 million flight hours in over 143 countries. The past five years alone have seen 10 new Textron Aviation aircraft certified and delivered. We continue to lead the market with the widest-ranging offerings available to customers.

Our portfolio features Citation aircraft, the world’s best-selling business jets; King Air® and Caravan® aircraft, both class-leading turboprops; and advanced piston aircraft for efficient training and transport.

THE WORLD’S LEADER IN AVIATION
